| Nonresidential real property   | 39 years                       | 40 years                           |  |
|  |                                |                                    |  |

Additions and improvements, such as a new roof

The same recovery period as that of the property to which the addition or improvement is made, determined as if the property were placed in service at the same time as the addition or improvement.
